Partial case display

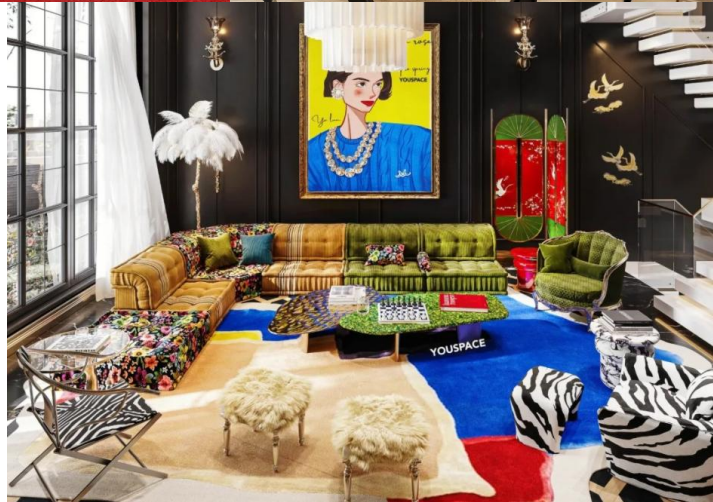

Through our customization, designers create exquisite designs

Rose Garden Villa

The designer of this customized case adopts artistic expression techniques and selects classic Italian furniture items for artistic re creation. The space is gorgeous, dynamic, trendy and fashionable. The white stretchable sofa gives a simple and neat feeling, and the hand-painted small dining table is enjoyable for eating. The open west kitchen island is the best place for friends to gather and family to reunite!

American style countryside villa

This is a modern American style four bedroom customized case with a building area of 142 square meters. The house incorporates elegant and atmospheric American elements on the basis of modern simplicity. Through elements such as gypsum line borders, American style furniture, wallpaper, and lighting fixtures, it creates an elegant and romantic home

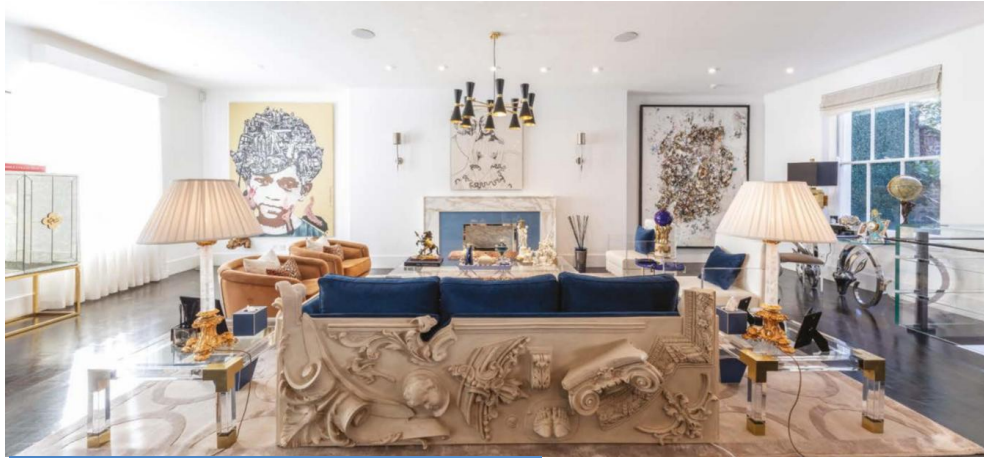

Wooden cabin captures happy moments and rural customs,
recording every moment of time
The sunroom is bright and warm, the white toned space appears
very calm, the brick fireplace is full of rural charm, and the ancient
wooden furniture records the passing of time

Natural log
style villa

Spanish Art Villa

This customized case uses copper art series furniture, aiming to create a practical and artistic space that balances life and aesthetics, making the home space more artistic and charming!

Luxury Yunqi Villa

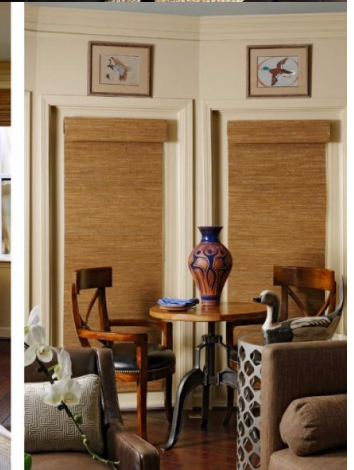

This customized case adopts Italian luxury brand style customization, with a price only one sixth of the original Italian style. It uses high gloss wood veneer and a large amount of genuine leather, stainless steel, natural marble, and high-end cashmere blended fabrics to create a sense of luxury; The timeless beige high-pressure color scheme, paired with high gloss luxury furniture, creates a luxurious feeling that highlights the owner's noble identity!

Roslyn, USA, Homestay

This customized case uses a large amount of natural wood, fur, and irregular medieval art furniture, which makes people fall in love with it at a glance. The lazy feeling flows everywhere, and the authentic American classical style gives people a sense of security and peace of mind. Staying here is a wonderful journey to relax and unwind!

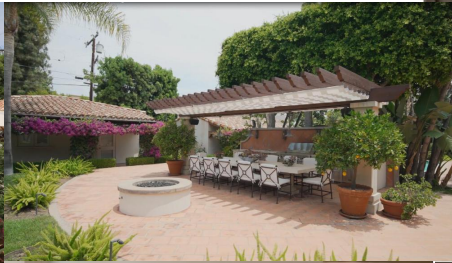

Hujing Villa

This customized case adopts the most traditional and classic American style, using classic American vintage to showcase the family's historical heritage and weight; The living room sofa is made of natural leather with wax effect, giving it a sense of historical weight; The fabric sofa exudes a sense of relaxation, while the island table and cabinet dining table are made of natural wood, creating a strong atmosphere of daily life; The bedroom adopts the classic American style king size bed, which looks very relaxed!

Luxury Mediterranean Villa

This villa customization project adopts a typical Mediterranean+French countryside style, perfectly combining classical and modern elements, and boldly innovating on the basis of inheriting tradition. The living room sofa frame still uses carved patterns, but the fabric is made of plain cotton and linen, elegant and not complicated; The living room adopts the soft and graceful carving method of the Mediterranean Sea,

Skiathos Island Homestay, Greece

The Aegean Sea in Greece is so enchanting, facing the gentle sea breeze and stepping on the soft white sand waves, it's so romantic! How many people dream of vacationing here...

This customized project adopts a dark blue tone in color, soft and mysterious, calm and enchanting; The furniture adopts the ancient style that best expresses a relaxed mood, and the natural wood exudes a relaxed atmosphere. After a hard won holiday, let's relax and unwind!
